In a brief attached narrative (500 words), summarize your proposal for professional development, addressing the following questions:

What do you propose to do? Where? When?

How will this experience deepen your understanding or enhance your skills as a teacher of the Holocaust and issues of human rights?

What is the expected benefit to your students?

How will you measure those outcomes – by what assessment tools or benchmarks of success?

Do you plan to share what you have learned? How?

Please attach a line-item budget to your proposal, not to exceed \$500. Grants will fund activities for the twelve-month period commencing on the date of the award. Recipients will be invited to present, in writing or in person, any significant outcomes of this grant, including student performance, breakthroughs in pedagogy, or newly developed lessons and materials.
