

Mathilda Schlossberger Outstanding Student of the Year Award

The Schlossberger Award was created by Florence and Kurt Strauss of Portland in memory of Kurt's maternal grandmother, who was murdered at Theresienstadt.

The award recognizes students at three grade levels (K-4, 5-8, 9-12) who have produced an exceptional piece of original writing, fiction or non-fiction, or an unusually expressive piece of visual or performance art relating to human rights.

ART

Projects may be visual art (painting, drawing, etc) or mixed media (sculpture, Power Point, etc). For grades 5 – 12, category also includes performance.

Criteria: originality, expressiveness, artistic skill, communication of meaning or message.

WRITING

Projects may be poetry, short story, essay, or personal reflection. Length: four page limit. For grades 5 – 12, category also includes drama.

Criteria: originality of voice and viewpoint, structure, command of language and mechanics.

REQUIREMENTS

Art, writing, video, or photographs of art must be delivered to HHRC, along with a completed nomination form, by **April 15, 2019**.
